It's time to re-think filing

Crystalfile has been the number one brand in filing for so long that it's easy to take it for granted.

Innovative new Indicator Tabs pop up to mark your suspension file in use and guarantee you'll never misplace your documents again!

PLUS, all board suspension files are Australian made from 100% recycled material, helping our world's resources go further.

All this, and more, makes Crystalfile not just the obvious choice, but the only choice!
